

University of Social Welfare and Rehabilitation Sciences

Ministry of Health and Medical Education

ITA					
Name: Mehdi Surname: Banan	PhD (Biological Sciences)				
Title/Degree: PhD/MBA	Department of Genetics				
Research Interests: Genetics and gene therapy of hemoglobin disorders					
Scopus Profile: http://www.scopus.com/authid/detail.url?origin=AuthorProfile&authorId=55404728100&zone=	Google Scholar Profile: https://scholar.google.com/citations?user=55mvY10AAAAJ&hl=en&oi=ao	Updated: 2021/10/12			
Personal Information		Nationality: Iranian			
Office address: Genetics Research Center University of Social Welfare & Rehabilitation Sciences Kudakyar St., Daneshjo Blvd., Evin, Tehran, Iran Tel: (21) 22180106 Fax: (21) 22180138.	E-mail: mbbanan@yahoo.com Home Page: https://genetics.uswr.ac.ir/index.jsp?pageid=9761 University URL: http://www.uswr.ac.ir				
Education					
Date	Degree	Duration	Institution	Country/City	Major
1989	BSc	3 years	University of Texas at Austin	Austin, TX, USA	Biology (Molecular)
1996	PhD	6 years	University of Texas at Austin	Austin, TX, USA	Biological Sciences
2001	MBA	2 years	University of Texas at Austin	Austin, TX, USA	Finance
Faculty member					
Year	Position	Duration		Institution/Course	Location
1997-2002	Lecturer	5 years		University of Texas at Austin	Austin, TX, USA
2007-present	Associate professor	15 years		University of Social Welfare and Rehabilitation Sciences	Tehran, Iran

Field of Specialization

-Genetic engineering: CRISPR/Cas9 (indel & large deletion formations, gene knock-ins), RNAi (siRNA & shRNA), qRT-PCR, Western blot, lentivirus system, EMSA, molecular cloning, dual luciferase assay, overlap-PCR mutagenesis, cell culture, etc.

-Molecular genetics: Association studies (using ARMS-PCR, Tetra-ARMS-PCR, and PCR-RPLP for genotyping)

Language Ability

-English (native)

-Farsi (native)

Research Experience

Year	Position	Institution/Course	Location
1996-1997	Postdoc	University of California at Berkeley	Berkeley, CA, USA
2001-2004	Business Development Analyst	Ambion Inc.	Austin, TX, USA
2005-2006	Research Director	Tofigh Daru Pharmaceuticals	Tehran, Iran
2021-present	Research Director	Gene Therapy and Regenerative Medicine Research Center; Hope Generation Institute	Tehran, Iran
