*The University of Social Welfare and Rehabilitation Sciences (USWR) Tehran, Iran

Current Positions

2024- present	Research fellow: QUEST Center for Responsible Research, BIH-Charité, Berlin, Germany
2023-2024	WHO consultant for Hospital Safety Index, Iraq-Baghdad, Hospital Preparedness Program, Oman-Muscat
2017-present	Full Professor at the University of Social Welfare and Rehabilitation Science
2011- present	Head of Health in Emergencies and Disasters Research Center, USWR, Tehran, Iran

Education

09-2010 – 09-2015	Post-Doctoral research fellowship in Emergency and Disaster Health, Department of Clinical Science and Education, Karolinska Institute, Södersjukhuset (KI SÖS)
03-2002- 05-2007	Ph.D., Iran University of Medical Sciences (IUMS) in nursing focused on Emergency and Disaster Health; Thesis Title: <i>Designing a Model for Healthcare Services at the Time of Disaster: A Grounded Theory Study</i>
02-1991- 05-1995	Master of Nursing at Shahid Beheshti University of Medical Science and Medical Education, Tehran, Iran
06.1988-01.1991	Bachelor of Nursing, Iran University of Medical Sciences, Tehran

Research Interests

Open science and integrated approach: a new paradigm in emergencies and disasters research	Transdisciplinary/Participatory research, knowledge transfer, and management; sustainable solutions
Public health preparedness for hazards, disasters	Qualitative, Mixed/multi-methods research
Community-Based Disaster Risk Management	Natural hazards/disasters preparedness/mitigation
Vulnerability and resilience research	Early Warning Systems- Disaster Risk Reduction
Disaster health management	Understanding disaster risk, risk assessment
Climate Change Adaptation	Hospital and pre-hospital disaster preparedness
Open science, Responsible research, and research integrity	Stroke Patient and Stakeholder Engagement (SPSE)

Honor and Awards

2019	The George Forster Research Fellowship award for international researchers, Alexander von Humboldt Foundation-Germany.
2012-2022	Excellent Professor and researcher of the year in USWR-Iran
2020	Exemplary researcher of the Iranian Academy of Medical Sciences
2004	Top national young researcher-Iran
2002	National Exemplary nurse-Iran

Citations and Statistics

	Citations	h-index	publications
Scholar google	10235	52	515
Scopus	3803	37	288

Work Experience

2022- 2024	Deputy of Research and Technology: University of Social Welfare and Rehabilitation Science Tehran
2020 –2022	Chancellor of the University of Social and Rehabilitation Sciences Tehran (USWR)
2019-Present	President of the Scientific Association for Health in Emergencies and Disasters, Iran
2015- Present	President of the National Scientific Board for Emergencies and Disaster Health, MOHE
2021-2022	Head of the national research team and principal investigator for Covid-19 vaccine acceptancy in Iran
2020-2023	Head of the Covid-19 Social Observatory of Iran
2020-2020	Team leader for the operational readiness of the World Health Organization (EMRO-Mideast region)
2018 –2020	Vice-chancellor of the National Emergency Medical Organization - Iran
2017-Present	Permanent member of the Iranian Academy of Medical Sciences
2011-2023	Senior Researcher: Karolinska Institute, Department of Clinical Science and Education, Stockholm, Sweden
2019- 2022	Visiting scientist researcher from the Alexander Von Humboldt Foundation at the Freie University - Berlin, Germany
2014-2017	Deputy of Research and Technology at the University of Social Welfare and Rehabilitation Science Tehran
2012-2014	Deputy of treatment and rehabilitation at the University of Social Welfare and Rehabilitation Science Tehran
2012- 2014	Head of Department of Nursing in USWR
2010-2014	Deputy of the National Emergency Organization in the Iranian Ministry of Health and Medical Education
2008 – 2012	National advisor for Deputy of Nursing in the Ministry of Health in Emergency and Disaster of Iran

Selected Research projects *(Project leader)*

2024-2026	Patient and Stakeholder Engagement in Stroke Research: development of evidence-informed, comprehensive, and applied Recommendations funded by DFG
2021-2024	The Joint Emergency Dispatch System (SOS) in Iran funded by the World Health Organization
2023	Developing a National tool for National Risk Assessment using multi-methods
2020-2022	develop a national program for disaster preparedness and response funded by the National Disaster Management Organization of Iran (NDMO)
2020-2021	Developing National guidelines for disaster leveling/severity index using multi-methods
2020-2021	Developing National Disaster Preparedness Program, Funded by WHO
2019-2021	Disaster risk reduction in Tehran, by improving disaster risk understanding and social trust funded by the George Forster prize, Alexander von Humboldt foundation
2019-2020	Developing strategies to improve Emergency Management Systems in MOHME
2018-2020	Evaluating Reproductive Health after Iranian Recent Disasters, funded by UNFPA
2018-2020	Developing National guidelines for Hospital Risk Management using multi-methods
2018	Developing a National tool for National Health Surge Capacity using the mixed method
2016-2017	Developing a National Response Framework in Health (NRF) using multi-methods
2014-2016	Developing a National tool for Hospital Disaster Risk Management using multi-methods
2015	Developing a National tool for National health capacity using multi-methods
2014-2015	Developing disaster preparedness plan for Tondgoyan Oil Refinery (Funded by Tondgoyan Refinery)
2012-2013	Exploring the experiences and perceptions of HEMS doctors in European countries regarding their non-medical activities funded by the Department of Clinical Science and Education, Karolinska Institutet
2011-2013	Developing Disaster Rehabilitation Model in Iran Using Grounded Theory Approach

Publications- 15 Books (*Appendix B: Book Cover pictures*)

2024	Applied Qualitative Research*	Editor-in-Chief
2024	Hospital Emergency Programming based on National Accreditation System*	Editor-in-Chief
2024	Basics and Principles of Risk Management in Emergencies and Disasters*	Editor-in-Chief
2023	National Risk Assessment Tool in Emergencies and Disasters*	Editor-in-Chief
2022	National Health Assessment Tools in Emergencies and Disasters; 2 nd edition*	Editor-in-Chief
2021	The role of the Environment in reducing the risk of disasters*	Co-author
2021	Comprehensive Risk Management of Biological Disasters in Health System focusing on the COVID-19 pandemic*	Editor-in-Chief
2019	Traumatic Experiences and Dyslexia: Concept Analysis of Bystander Effect in Road Traffic Injuries: A Hybrid Model, **	Co-author in one chapter
2017	Terminology of Risk Management in Emergencies and Disasters*	Main author
2016	Basic National Scenarios of the Health System of the Islamic Republic of Iran in Incidents and Disasters*	Main author
2016	Dyslexia and Traumatic Experiences: Emergency and Disaster Health Provision in Iran: Challenges and Achievements, and Conducting Qualitative Research in Health**	Co-author in two chapters
2016	National Tool of Hospital Safety Evaluation in Emergencies and Disasters*	Co-author
2014	National Tools for Risk Assessment and Specialized Capability Indicators in the Health Sector for Incidents and Disasters (Risk Map)*	Editor-in-Chief
2014	Hospital Disaster Preparedness A National Guideline*	Editor-in-Chief
2010	International Disaster Nursing**	Contributor

* Persian; ** English

Services to the profession

Since 2015	Journal of Health in Emergency and Disaster Quarterly (HDQ)	Chief Editor
Since 2012	Journal of Health Promotion Management	Editorial board and Reviewer
Since 2014	Archives of Rehabilitation	Editorial board and Reviewer
Since 2016	Salmand: Iranian Journal of Aging	Editorial board
Since 2010	Journal of Injury and Violence Research	Section Editor and Reviewer

Supervision of Post-graduate students; *Appendix C: 151 titles*

2010- present	PhD	Emergency and Disaster Health	Main supervisor: 20 Co-supervisor: 17	Persian in USWR, and other universities in Iran
---------------	-----	-------------------------------	--	---

		Other disciplines	Main supervisor: 19
			Co-supervisor: 11
2007-2018		Methodology consultant; Emergency & Disaster Health	Co-supervisor: 6 English in Karolinska Institute, Mid-Sweden, and Leipzig University
2002-present	Master's Degree	Emergency & Disaster Health Other disciplines	Main supervisor: 20; Co- supervisor:7 Main supervisor: 28; Co- supervisor:24

Teaching Experience, Post-graduate Education

International Teaching Experiences (<i>English</i>)		Duration	Points
PhD courses (<i>Karolinska Institute</i>)			
Grounded theory in health research		Sep 2012; May 2013; Sep 2017	3;3;3
Basics of Qualitative Research		Nov 2011; Oct 2012; Sep 2013; Sep 2014; Sep 2016;	1.5; 1.5; 1.5; 1,5; 3
One-day workshops			
How Grounded Theory can help this New Paradigm in Health & Human Development, Akademie für Arbeitsgesundheit der DPFA-Weiterbildung, Leipzig, Germany.			Oct 2024
Hospital Disaster Risk Management - One week, online, coordinated by WHO (EMRO) for medical doctors from Oman, held in Tabriz, Iran			May 2024
Qualitative Research Methodology for Biomedical Researchers, Intermediate, BIH/Charite, Berlin, Germany (online Webinar)			Sep 2023
Principles for Research in Fragile Contexts: Fragility, Conflict & Violence (FCV), coordinated by WHO (EMRO)-Online Webinar			Jun 2023
Qualitative Research Methodology for Biomedical Researchers: Basics and principles, BIH/Charite, Berlin, Germany (online Webinar)			May 2023
Hospital Disaster Risk Management - One week, coordinated by WHO (EMRO) for medical doctors from Afghanistan, held in Tabriz, Iran			May 2023
Hospital Safety Index - One week, coordinated by WHO (EMRO), Baghdad, Iraq.			Feb 2022
Iranian Experience in Managing COVID-19; Der Stiftung des Deutschen Instituts für Katastrophenmedizin			Nov 2021
Applied Qualitative Research; University of Gdansk, Department of Psychology			May 2018
Recent experience in managing natural disasters: Iran; Cologne University of Applied Sciences			Oct 2018
Principles of Rehabilitation in Disasters; Leipzig University, Department of Psychology			Sep 2017
Risk assessment in Natural Disasters; Cologne University of Applied sciences			Oct 2016
Applied Qualitative Research; Leipzig University, Department of Psychology			Sep 2016
Basics of Qualitative Methodology; University of Gävle, Department of Public Health and Sports Science			May 2015
Academic Courses Provided in Iran (<i>Persian</i>)		Duration	Points
Master's degree *			
Theories of Nursing Models		1999-2024	3
Statistics and Research Methodologies		1999-2024	1.5
Principles and Basics of Nursing Rehabilitation		2001-2024	5.5
Professional terms and language		2012-2024	1
Basics of Management in Emergencies and Disasters		2024 - To be Continued	3.5
Crisis Management		2024 - To be Continued	1
Healthcare Services in Mass Gatherings and Complex Crises		2024 - To be Continued	1.5
PhD *			
Advanced Qualitative Research Methods		2010-2024	5.5
Advanced Risk Assessment and Analysis		2013-2024	3.5
Advanced Risk Management in Disasters and Emergencies		2013-2024	2
Basics of designing Disaster exercises		2013-2024	2

Basics of Disasters in the Health System	2013-2024	3.5
Healthcare Services in Disasters	2013-2024	3.5
Hospital Evacuation and Surge Capacity	2013-2024	1.5
Hospital Management Compatible with Emergencies and Disasters	2013-2024	2
Management of Communication and Risk Information in Disasters	2013-2024	2
Methodology and Critique of Quantitative and Qualitative Research	2012-2024	2
Civil Defense	2022-2023	2
Nursing in Disasters and Trauma	2021	1
Policy Making for Risk Management Programs	2019-2023	2
Practicum	2012-2024	1
Professional terms and language	2012-2024	2
Risk Assessment and Analysis	2013-2024	3
Theory Development in Nursing	2011-2024	2

* Provided once in every 1st or 2nd semester each academic year

Selected Presentations at National and International Scientific Events

International Event: Keynote Speaker

<i>New Horizons, New Paradigms in Health and Human Development</i> , Akademie für Arbeitsgesundheit der DPFA-Weiterbildung, Leipzig, Germany.	2024
European Congress of Disaster Management, Berlin, Germany.	2019
European Congress of Disaster Management, Berlin, Germany.	2018
First Research Conference of the World Society of Disaster Nursing, Kobe, Japan.	2010

International Event: Lecture Presentation

Which Terms or Concepts Elaborate Hospital Resilience, and Why Is it Essential to Explain? PAHO	July, 2024
NET2007 Conference: <i>Designing a Health Services Management Model in Disasters: A Qualitative Study</i> , University of Cambridge, London, England	2007

National Events: Keynote speaker-Panelist

9th International Congress of Health In Emergency And Disaster, Iranian Ministry of Health and Medical Education (MOHE),.	2020
8th International Congress of Health In Emergency And Disaster, Iranian Ministry of Health and Medical Education (MOHE),	2018
7th International Congress of Health In Emergency And Disaster, Iranian Ministry of Health and Medical Education (MOHE)	2016

National Events: Lecture Presentation

<i>Policy Recommendations for Open Science, Responsible research; A new paradigm of science</i> , Academy of Medical Sciences of the Islamic Republic of Iran.	2024
<i>Policy Recommendations for Health System Integration</i> , Academy of Medical Sciences of the Islamic Republic of Iran	2024
<i>Theoretical and Practical Approaches to Change and Conceptual Understanding in Disaster Management</i> , Natural Disasters Research Institute (NDRI)	2024
<i>Open Science and Its Relationship to Scientific Development in Iran</i> , Academy of Medical Sciences of the Islamic Republic of Iran	2023
<i>Development of Theory in the Health System</i> , Academy of Medical Sciences of the Islamic Republic of Iran	2023
<i>New Approaches in Disaster Risk Management</i> , Tehran Crisis Prevention and Management Organization	2023
<i>Challenges in Disaster Risk Management</i> , Academy of Medical Sciences of the Islamic Republic of Iran	2023
<i>Intangible Cultural Heritage and Social Responsibility in Disaster Response</i> , Natural Disasters Research Institute (NDRI)	2023
<i>Presentation of the National Disaster Management Strategy Document</i> , Natural Disasters Research Institute (NDRI)	2023

Additional Contributions

More than 50 lecture presentations at national congresses, universities of medical sciences, and the Ministry of Health and Medical Education (MOHE).	1993-2022
